SERIES 4 ONLY GREEN CELLS: Due to rollup size, these drops exceeds our limits for non bug screen fabrics. For non bug screen fabrics, in the green cells, use the TALL hem bar only - the extra width will help to avoid clearance issues. If you have had past successful experiences with this size unit and fabric, please proceed. If you have questions, please contact customer service. We want to produce for you the best long-term solution for you and your customer.

GRAY SHADED CELLS ARE UNIT SIZES THAT ARE OUTSIDE OF WARRANTY
