- **2 or more units (ordered the same day) \$275 each**
- **unit over 26'0" \$675 per unit + \$198 split charge**

*NOTE: For screen pricing and freight charges, see the current Rainier Wholesale Screen/Shade Price Guide.*

**Please inspect your deliveries and sign for your delivery with possible concealed damage if the box appears damaged in any way.**

In case of damage, please arrange for the carrier to inspect the goods to determine the amount of damage for your freight claim. **Rainier is not responsible for any shipping damage not signed for at time of delivery.** Please call us if you need any assistance. All freight is F.O.B. Middletown, New York.

## ORDERING

Please order your Rainier products via extranet, email (orders@eclipseoutdoor.com) or fax. "Written" documentation of your order will help us serve you better. We want to make exactly what you need ... the first time.

## CONFIRMATION

Your orders and shipments are confirmed daily by e-mail. If you request order confirmations and you do not receive them, please contact us immediately.

## CHANGES AND CANCELLATIONS

Fabric will often be ordered the day your order is received or, at the latest, the morning after your order has been placed. Our quick production time creates a very narrow window for changes and/or cancellations. We will have a \$50.00 restocking charge for fabric that has not been cut. If the fabric has been cut, we will charge 10% of the unit cost for the fabric. Please call as soon as possible with changes or cancellations. **We will do everything possible to keep your order on schedule and keep charges to a minimum.**

## PAYMENTS

Dealers who have not established credit with Rainier will be expected to make full payment for their orders at the time of order due to the custom nature of our products. We accept payments in the form of ACH, company or personal checks, and Master Card and Visa charge cards are accepted with a **3% service fee** added to cover the fees from the credit card companies. If paid upfront with credit card, the 3% service fee is waived.

# GENERAL INFORMATION - UPCHARGED ITEMS

## RETURNS AND WARRANTY

Call Rainier for authorization to return any defective or damaged parts and/or fabric repairs. Any unauthorized returns will result in a delay of your replacement items.

All warranty claims must be returned within 30 days of receiving replacement item(s)

## STANDARD & EXTENDED PRODUCT WARRANTIES

Please refer to page 19 for a complete listing.

## RECOVER PRICING

Recover pricing is based on use of standard Sunbrella or Dickson fabrics. For all lateral arm units, recovers are \$5.50 per square foot; unit width x unit projection x 5.50 (rounded up to the nearest foot). The Rainier Shasta recover is also based on the square foot price, but will be calculated by the width and cut size since the fabric is long enough to project past 90 degrees. Please call for x double projection x 5.50.
